

PILOT WORKSHOP

AI & THE FUTURE OF CAREERS

An interactive workshop helping people understand how AI is changing the world of work while developing awareness of the **human skills** technology can't replace.

90 MINUTES

DELIVERED AT YOUR ORGANISATION

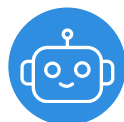

GREATER MANCHESTER

HOW THE WORKSHOP WORKS

REAL-WORLD SCENARIOS

Students work in groups to tackle real life career challenges using communication, problem-solving and teamwork

AI INTRODUCED

AI is then brought into the activity to enhance, challenge and critically evaluate their solutions.

WHAT PARTICIPANTS GAIN

Experience critically evaluating AI-generated responses

Greater awareness of how AI is changing careers and industries

Confidence discussing the opportunities and limitations of AI

Stronger communication, teamwork and problem-solving skills

INDUSTRY INFORMED. FUTURE FOCUSED.

Developed through conversations with employers, industry professionals and educators, helping connect learning with the skills and expectations of the world of work.

WHO IT'S FOR

- Schools & Colleges
- Charities
- Youth & Community Organisations
- Employability Programmes

WANT TO FIND OUT MORE?

Let's work together to equip young people with the skills and confidence to navigate an AI-shaped future
